A blue ballpoint pen with a silver-colored tip and barrel is positioned diagonally across the upper left portion of the image. The pen is resting on a document that features a bar chart with several blue bars of varying heights. The background is a light blue, slightly blurred surface, possibly a desk or a folder. The overall aesthetic is clean and professional.

Report Card and Next Steps

LOW PERFORMING AND WHAT DOES THAT MEAN

A low-performing school is a school that:

1) Earns an overall school performance grade of D or F and

2) Earns a school growth score of “met expected growth” or “not met expected growth” as defined by G.S. 115C-83.15.

NEXT 30 DAYS – SCHOOL IMPROVEMENT PLAN

The School Improvement Plan shall be submitted to the SBE within 5 days of the local BOE's approval

The SBE shall review and may offer recommendations to modify the School Improvement Plan

The local BOE shall consider any recommendations made by the SBE, amend the plan if necessary, and vote on the approval of any changes to the final plan

NOTICE TO PARENTS:

1. A statement that the school has been identified as low-performing;
2. The school performance grade and growth score;
3. Information about the preliminary plan and the availability of the final plan on the local school administrative unit's website;
4. The meeting date for when the preliminary plan will be considered by the local board of education; and
5. Description of any additional steps the school is taking to improve student performance.

Four blue pencils are arranged diagonally on a teal background. The pencils are sharpened and have a blue paint coating. The image is partially cut off on the right side.

SCHOOL AND TEACHER EVALUATIONS

- All staff in LP school must be evaluated annually AND early enough to have time for Mandatory Improvement Plan (MIP), if necessary.
- Our administrators will utilize the tool that was approved by NCDPI from the 22-23 school year.

A close-up photograph of a person's hand holding a blue pen, positioned over a survey form. The form contains various input fields, some with radio buttons and some with checkboxes. A prominent text overlay is centered on the image, reading "TEACHER WORKING CONDITIONS SURVEY". The background is softly blurred, showing a desk with a purple pen and a glass of water.

TEACHER WORKING CONDITIONS SURVEY

Top Five Issues from 21-22 School Year

- Addressing disparities in student learning – 31.58%
- Assessing student performance and needs – 11.58%
- Reteaching students prior grade standards – 12.63%
- Social/Emotional support for students – 12.63%
- School Staffing Shortages – 11.58%

Site-Based Next Steps

ELEMENTARY SCHOOL NEXT STEPS

- Goal: To increase reading proficiency in Grades 3-5
- Dr. Whatley is continuing to assist teachers with progress monitoring and providing them with strategies and resources to support learners at all levels.
- Advocated for an AIG and Reading Recovery specialist to assist our higher learners and those that need additional support. Ms. Stover will continue to support our AIG students, and Ms. Baughman (part-time Reading Specialist) along with Ms. Stover have begun serving struggling readers in Grades 2-3.
- Participates in instructional walkthroughs and debriefs. We are also providing opportunities for our teachers to observe teachers who model certain best practices in order to better prepare our teachers. Professional development is also provided throughout the year in various areas based on need.

MIDDLE SCHOOL NEXT STEPS

- Goal: All students, bi-weekly, will engage with leveled informational texts with a focus on vocabulary acquisition in order to improve comprehension.

HIGH SCHOOL NEXT STEPS

- Will look at School-Wide Test-Taking Strategies in all content areas
- Use NC Check-Ins to assess students and make adjustments to instruction
- Will add a vocabulary goal.
 - English 2 has request materials to help teach Greek/Latin Roots and Vocabulary Instruction
- Added another section of English 2 – average class size is 19.

District Next Steps

District Next Steps

- Partnered with MTSS and agreed to be a part of their intensive training – allows for more PD for teachers
- Renewed the NCSIP grant – allowing for PD in Math and Reading
- Renewed the PRC 188-189 – allowing for summer support and Math tutoring in grades 4-8
- Participating in AMPS (autism) to assist regular classroom teachers with working with students
- Will conduct Town Hall visits with schools and families and will continue to update all stakeholders
- NC Check-Ins will be required in all subject areas for 5th, 6th, and 8th based on last years proficiency and growth data. NC Check-Ins for 3rd, 4th, and 7th will be optional.
